FOREWORD

So that we may live again in memory our tenderfoot days when we strove to bring in knowledge and training necessary for our "big roundup," we present this annual. May it inspire us to ride further across the range, full-fledged cowboys, "roping" the best things of life.

DEDICATION

In behalf of the Student Body, we dedicate this volume of StaVaHi to those stalwart and courageous ranchers of Star Valley who blazed the trail before us and laid the solid foundation upon which we are building our future.

Superintendent's Message . . .

The world waits for no man. Every day we are called upon to make decisions that may change the whole course of our lives. Face each issue as it comes. Make no compromises with sin, stand firmly on your own understanding of what is right.

With the school year of 1937-38 swiftly passing, may we extend the hand of good fellowship to our departing Seniors. You have left your mark of culture on our lives. You are now called upon to make your greatest decisions. May you continue to grow in every way, and achieve your highest ambitions.

To face every opportunity of life thoughtfully and ask its meaning bravely and earnestly, is the only way to meet the supreme opportunities when they come, whether they be open-faced or disguised.

O. J. HOLDAWAY

Principal's Message . . .

It affords me a great deal of satisfaction to express my appreciation to all members of the student-body of the Star Valley High School for the loyal support they have given the faculty this year.

We are all proud of our accomplishments for this year, which have been made possible through a united student-body and faculty. To my mind our greatest accomplishments have been the building up of a feeling that all must accept the responsibility for their actions in a democracy such as that found in the Star Valley High School.

On behalf of the faculty may I wish the best of luck to every member of our student body and especially to members of the Senior Class, who will not be back with us next year.

Student Body Officers' Message . . .

As leaders of the Student Body of the Star Valley High School for the past year, we believe that much has been done toward bettering the moral and social standards in our school.

Whatever has been accomplished can be directly accredited to you because without your splendid support and cooperation nothing could have been done.

Although many of us will be leaving the school this year, we will always feel a part of it. We sincerely hope for its continued success and advancement.

Senior's Message . . .

We, the Seniors, look forward with great expectation to green pastures and look back with regret upon the old homestead of Star Valley High.

To the Freshman we bequeath our spurs to urge them on to greater accomplishments.

To the Sophomores we leave our ten gallon hats to accommodate the size of their increasing heads.

To the Juniors we hereby will our saddles so that they may rest easy before the last roundup.

To the faculty we leave our ponies to guard from the hands of pilfering students.

With a "ki yi yip i yip i ye", we say, "so long, old buddies. We're headin' up the trail!"

JUNIOR CLASS OFFICERS

Junior's Message . . .

We, the cowfolks of the Junior Class are appreciatin' the Star Valley High School very much. We reckon the day must come when we come here to the Star Valley High School for our last roundup, known as the Senior year. But we are aimin' to make it an outstandin' year, 'cause here is where our school day memories are liable to always live.

Ya probably want to know if we got somethin' to remember the Junior Year—we've got some colossal lookin' sweaters and we've picked some purty nice rings to start the stampede next year with.

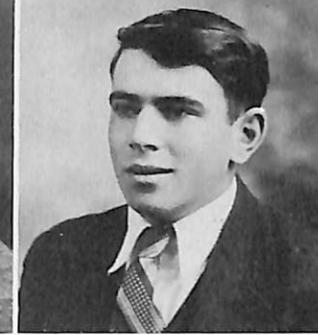

An' we always aim to stick by each other.

Sophomore's Message . . .

At the end of another school year, we, the Sophomore class feel we can look back upon achievements well worth the time and effort spent in achieving them.

With this year goes our rating as lower classmen, and we look forward with high hopes for the future in dear old S.V.H.S.

We now ride out of our second year and tighten our cinches for the hard ride coming up next year.

FRESHMEN CLASS

Freshmen's Message . . .

We, the Freshmen, or the "greenhorns" of 1937-38, although we have entered the corral for the first time feel that by the time we become Sophomores we will be as able as any to "rope them in." Although branded by the upper classmen as "Little Frogs in a Big Puddle," we are beginning to catch gleams of respect in their eyes, which goes to show that we are learning very steadily and surely how to "ride the range."

We, as a class, are very confident that by the time we are ready to leave the old homestead, which will have sheltered us for four years, tears will bedim our eyes, but in leaving we will leave honors and medals for S. V. H. S. such as the cowboys have "never seen the likin's of." You may laugh now, but watch us "round up the Rustlers." Good luck from the new hands.

School Song

When crimson freely floats above,
 A light is in our eyes,
 Our thoughts soar up to meet its aim
 Our thoughts within us rise,
 Our love shall know no bounds
 Each being swells with pride,
 Though rise or fall or live or die,
 We'll stand by crimson's side
 Each soul beneath its crimson folds
 Will follow where she leads,
 And climb the rough and rugged path
 To great and noble deeds,
 And as the years roll on,
 She'll ne'er forgotten be,
 For every student's hope and trust,
 Remains with our S. V.

Ain't they sweet?

 they possess.*

BASKETBALL

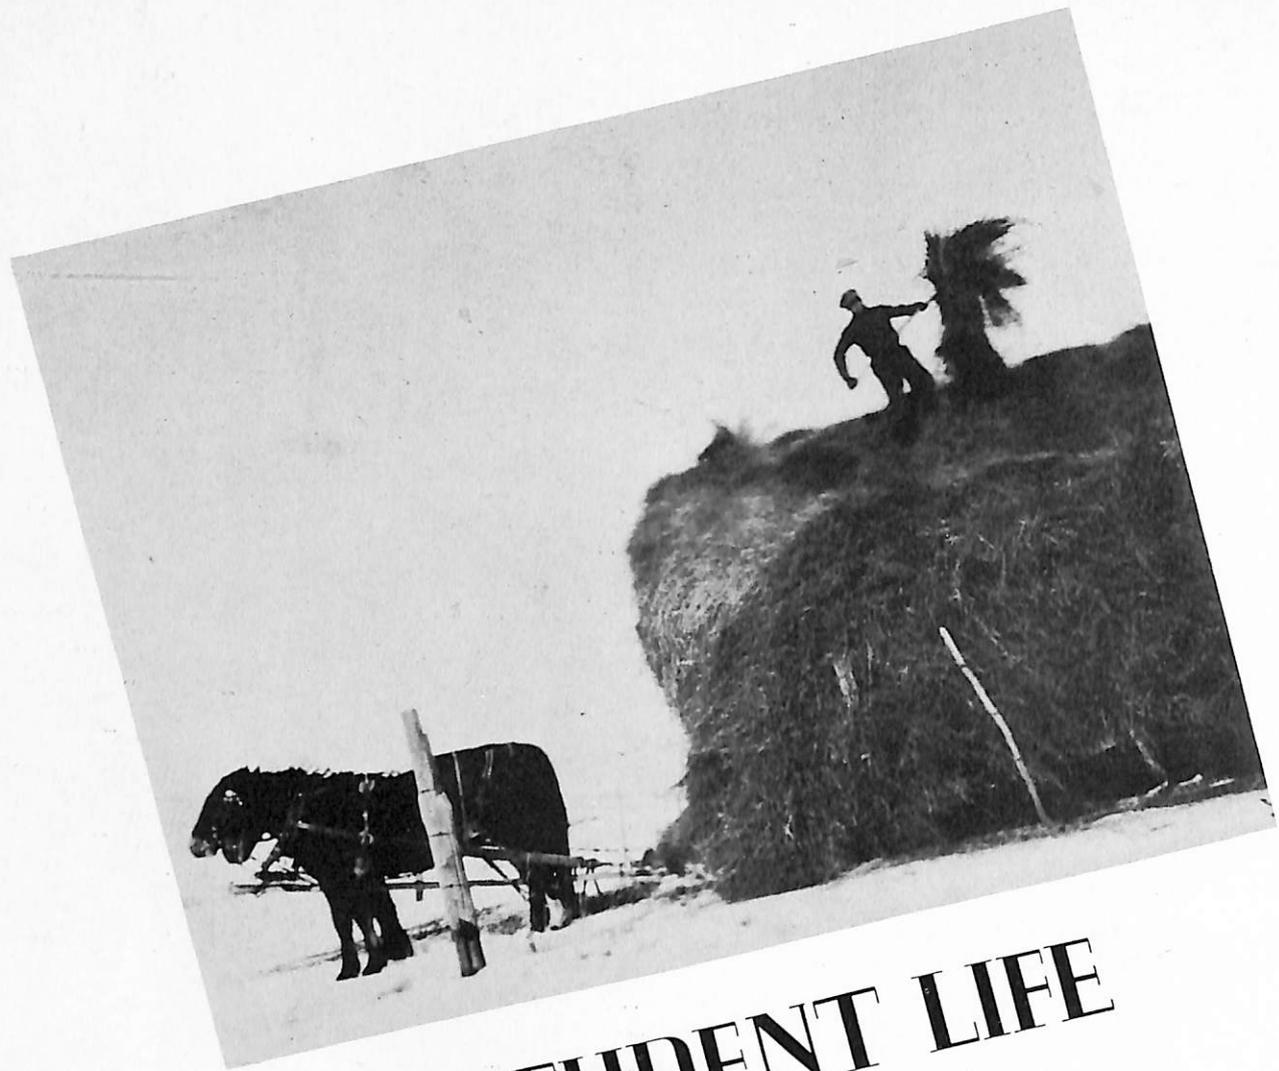

Under the able leadership of Coach Sleater, the boys made a fine showing in basketball this year, as was shown by their going through the entire season with only two defeats.

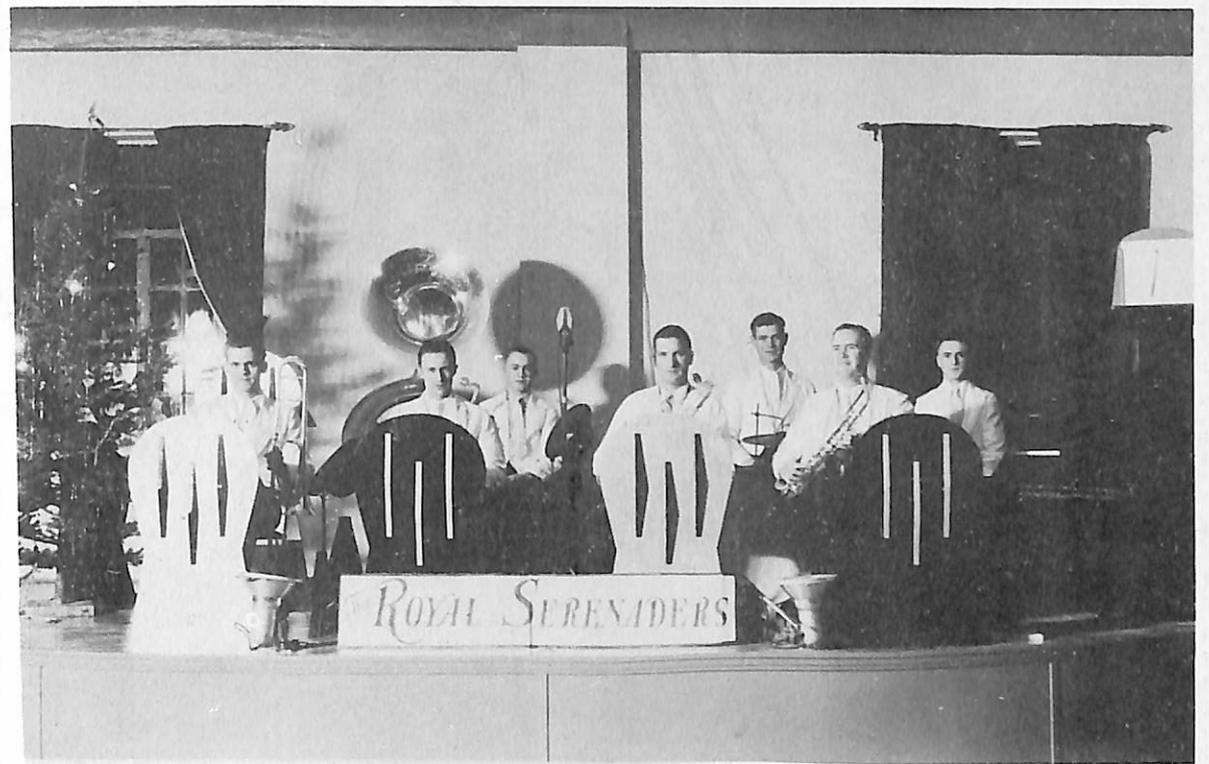

BASKETBALL

Because of their brilliant playing, the boys tied for first place in our side of the district this year, and placed third in the entire district. Their playing was superb, even though they did only win eleventh in the state.
