ORENE ANDERSON

Dear Mr. Mallory  
I have enjoyed  
very much taking  
a class under you.  
It has really been  
fun. As much as  
you have teased &  
embarrassed me sometimes  
like writing shorthand & stuff  
I've still gotten a big  
kick out of it.  
May we always be  
friends in years after

Shirley Cannon

DEDICATION

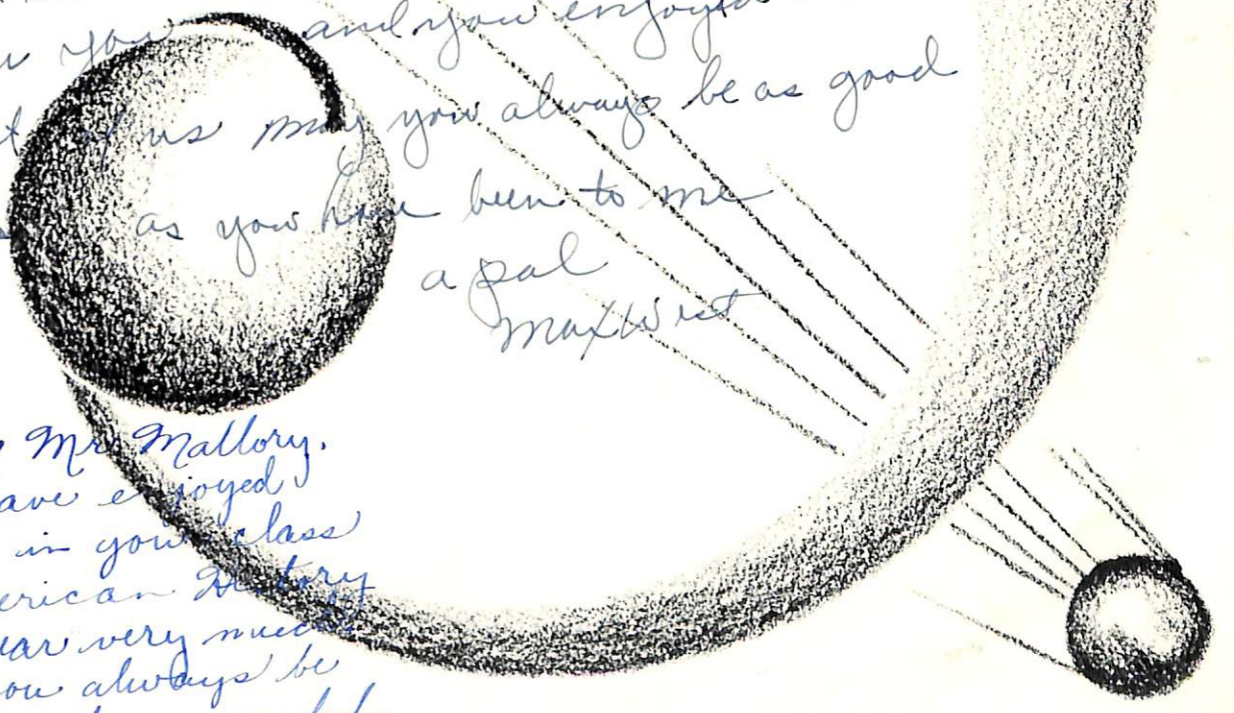

To those stubborn, courageous people,  
our ancestors, who made from a wilderness  
a kingdom rich, and fine, we dedicate this  
book.

P.S. Here's some  
my shorthand  
I'll be  
...

Dear Mr. Mallory  
You had some swell times in the classes we  
had under you and you enjoyed it with  
the rest of us may you always be as good  
to others as you have been to me  
a pal  
Max West

Dear Mr. Mallory,  
I have enjoyed  
being in your class  
of American History  
this year very much.  
May you always be  
happy and successful.

a friend  
Ruth Wright

Dear Mr. Mallory,  
 I think you swell.  
 You are my favorite  
 teacher of all the ones I  
 have ever had. I'll bet  
 everyone else thinks so  
 too. No matter where we  
 see you there is always  
 a smile. Luck. Be yours!

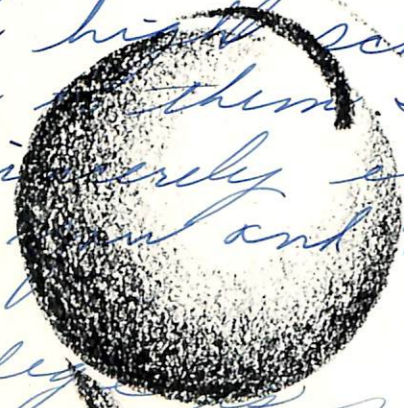

Sincerely,  
 Maxwell

FOREWORD

There is one love in every heart—FREEDOM,  
 And one purpose in every mind—VICTORY.  
 —United, we stand, with the determination—

"That the Star Spangled Banner  
 Forever shall wave  
 O'er the land of the free  
 And the home of the brave."

Mr. Mallory—  
 A person just never realizes how  
 much high school can and should  
 mean to them. I can say that I  
 did sincerely enjoy talking classes  
 back and forth and often wish I were  
 college. I should look forward to and  
 should not miss something every  
 student of yours should be ready  
 for criticism at any time.  
 Best wishes  
 Vera De Nelson

Dear Mr. Mallory  
 Never have I had a class that  
 has worried me like this one, but  
 I think you are of the best teachers  
 ever and I have enjoyed everything  
 for you. Success will happen  
 always.

Sincerely  
 Dorothy Altman

Dear Mr. Mallory,  
 I sure would be a sad girl if  
 I took every thing you said serious.  
 I never figured I could get through  
 American History, but I made it.  
 I didn't get as good as I wanted  
 as my teacher, but I know I would  
 should history be able to get  
 really enjoyed. I think I  
 taking number 100.

ADMINISTRATION

TRUST IN LEADERSHIP

Success next year,  
 Mr. Mallory. You  
 probably won't have  
 any friction with  
 Grant and the rest  
 of us now. Love Alud

SUPERINTENDENT JOHN L. METCALF

## SUPERINTENDENT'S MESSAGE

The American way of life is passing through its greatest fight for existence. Fellow teachers and students, let us do everything we can to preserve the land we love. We must keep our bodies clean and physically fit, so that when the call comes, if it does, we will be able to serve Uncle Sam efficiently and capably. It is equally important that we develop our minds. There is work to be done for every man, woman and child. Whether we serve in the armed forces, work in a defense plant or stay home and run the farm, we must do it to the best of our ability.

Our heritage was won and given to us by a brave band of pioneers, let us not be the ones to falter, let us pass it on to our progeny free and undefiled by the "isms" from across the sea.

## PRINCIPAL'S MESSAGE

I am sure that we all appreciate the opportunities that have come to us as members of the Star Valley High School this year. Especially do we appreciate our membership in the great democratic country in which we live. It is my hope that each member of the school has gained experiences which will make him or her a better citizen of the United States.

On behalf of our faculty may I extend an appreciation for the fine support and effort each student has made to make this a successful year. Our best wishes go to all for success and happiness and especially do we make this wish to our seniors who leave us this year.

## Student Body Message

The student council, under the leadership of the student body officers, had the added responsibility this year of planning and directing the student leadership convention. The convention was held at Afton and ninety-five delegates from the schools of the southwest district attended. The convention was a credit to the school and its leaders.

Following the example set for them in preceding years, the council sponsored dances, shows, and assemblies. It was also under their direction that the new student council room, a necessary and useful addition to the school, was built.

It was the aim of the council to promote a spirit of democracy and a feeling of fellowship throughout the student body.

## Senior Class Message

As we, the seniors of the Star Valley High School, make ready to enter into the great battle of life, we realize the responsibility that is ours. We fully understand the value of our school days and are ready to put the lessons that were taught us here into practical application, that they may lead us to success and victory.

To the juniors who next year step into our shoes we leave courage, and a determination to make their senior year one to be proud of.

To the sophomores and freshmen we leave our school spirit and the torch of leadership. May they live true to the trust we have given them.

### *Junior Class Message*

Our Junior class of forty-two!  
 A loyal group that's tried and true—  
 With honored names in Arts and Sports,  
 In Academics of all sorts,  
 We are an elite crew.

We fluffed a dream-boat like the clouds  
 Alumni Day, which pleased the crowds.  
 Our Red Cross program caused great thrills,  
 Our Junior Prom released cold chills—  
 As well as fevers new.

Said Promenade revealed the world  
 With Heav'n and Hell about it curled—  
 Democracy was Heav'n—Autocracy was  
 Hell,  
 But Hades glare could not out-flare  
 The torch we know so well—  
 Liberty's light of blue.

Our rose-gold rings and sweaters green  
 Depict our message keen—  
 Of rosy hope and tough endurance—  
 Successful Seniors an assurance—  
 Our bond will fly 'em through!

## Sophomore Class Message

In future years our yearbook will bring us memories — memories of carefree and happy days and of pleasant friendships, which we have enjoyed in this year at Star Valley High School because of the sacrifices of our pioneer forebearers and because of the democratic principles of our nation.

Now in the present we realize that those privileges do demand and in the future will demand of us that we assume our share of responsibility for preserving them to endure always in this country.

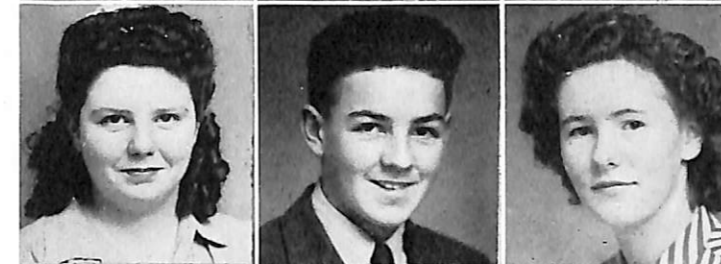

Pleasant memories and strong resolution—these we will take with us as tokens of our high school life and of education for citizenship.

### *Freshmen Class Message*

We, the freshman class, can truthfully say, "We've had a successful year." Our various activities and classes have all helped to make this one of the best years of our lives.

Quite a change has taken place since the first of the year. We are thinking more clearly and seriously now about the things that are going on. We have a task to do in this great emergency. Let's do our part by continuing to go to school. Let's gain this education in wisdom, leadership, sportsmanship, and unity for which we have set so solid a foundation as freshmen of the Star Valley High School.

*Band*

Cymbals crashing, clarinets squealing, susaphones bellowing, golden girls, twirling batons—THE BAND!!! Found new majorette early in fall. Band, twirlers helped Utah "Aggies" celebrate home coming at Logan—flashes of crimson, gold and white created color and gaiety at football and basketball games—stunts—rousing music—worked diligently for contest in Kemmerer, May 1-2.

*Opera—All at Sea*

ALL AT SEA—and Pirates were they. Straight from the briny deep. Under the able tutorage of Miss Hepworth, Miss Parry and Arch Gardner, they typically portrayed the roving pirates of old. Their songs vibrated the hearts of all. A splendid performance—a credit to its sponsors.

*Girls' Glee*

Thanks to the glees for the hard work they do for so little credit. They forfeit half of their lunch hour for daily class practice and work a good deal over time to make the yearly opera a good one. The high ratings they receive at the contests show that their effort is not fruitless.

# Pepstars

Official hostesses — representatives — service club—red vest is emblem—24 girls—8 from each of upper classes — two advisers — scholastic average of B—approved by faculty—voted in by respective class — membership for 2 years — honorary member — party every month — regular weekly meetings—always busy—entertained visiting teams — sponsored pep assembly — performed stunts — sold candy—ushered—served at banquets—third place float in Homecoming parade — hostesses of Leadership Convention held here — trips to Montpelier and Kemmerer—sponsored movie — sponsored Girls' Day—didn't go to Greenriver— Oh well!!!

APPRECIATION

We appreciate the cooperation of the students and the faculty members of STAR VALLEY HIGH SCHOOL in editing this Sta-Va-Hi

Mr. Mallory I have liked this class more than I figured I would. I have enjoyed it very much.

Dear Mr. Mallory I have enjoyed having you teach me & I hope you are a friend forever.

Dear Mr. Mallory,

I am proud to say that you are one of my favorite teachers. May I always remain your friend, I shall always remember the good times we have had in Soc. this year.

Sincerely, Thanda Brewer

Dear Mr. Mallory,

Seeing you are my favorite teacher of all these years, I want to thank you for keeping me in your classes as long as you did. I have had an awfully lot of fun in all your classes & I prize the memory of them above all others. I hope you will never regret having me as a student.

Marvel M. Wall

Dear Mr. Mallory,

I never was very good at expressing my thoughts but anyhow I think you a swell teacher. I want to take this opportunity to thank you for all the things that you have taught me. I have enjoyed the witty talks we have had in our sociology class and also in A. History. I learned something from each one. I hope you don't regret having me in your class.
