Administration

B. Delos Gardner

Principal B. Delos Gardner proved his ability and helpfulness by his friendly attitude toward students and faculty. Through his untiring efforts Star Valley High School ran smoothy during his first year of administration.

Principal Gardner and his secretary, Mrs. Carol Barrus, are kept busy with the many needs of the school.

B. DELOS GARDNER, PRINCIPAL

Afton, Wyoming

Dear Student Body,

A glorious privilege has been mine to work with you this past school year. I'm glad for the opportunity to greet the student body and to express my sincere appreciation to students and faculty for their splendid work and cooperation.

I especially want to wish the graduating class, Godspeed. May success and happiness ever be yours and with courage and righteous endeavor may you meet the challenge of working up to your potential.

May those of you who have one, two, or three years of school before graduation, return next year with a determination to take full advantage of your educational opportunities. The Star Valley High School will be judged and evaluated by your actions and accomplishments.

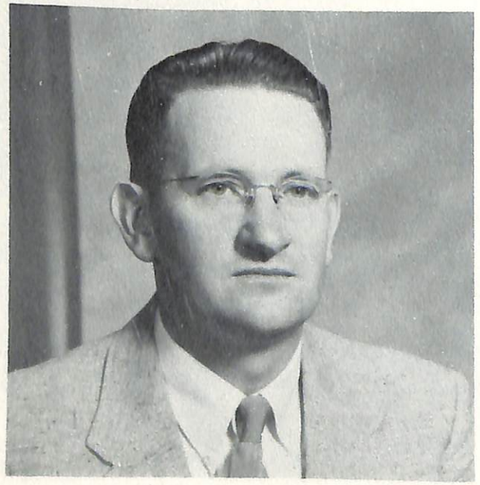

Sincerely,
B. Delos Gardner

Seniors

We are the seniors, or the class of '57. As we reach the last year of high school we look back on all the good times we've had and also look toward the future. To add to our already many merits, we won first place in the Homecoming Parade with **"Aroma"** the skunk. We went to the University of Wyo. on our Senior Sneak and we will never forget the fun we had visiting the campus, going to ballgames, dances, and the various activities sponsored for our enjoyment.

Sophomores

We are the Sophomores, also known as the **"Elvis Presley" fans,** who dig the most by bopping at the dances. It was our class that thought up the brilliant idea of having the freshmen dress up as storybook characters for their initiation.
